# ABOUT US

## CHRISTMAS CREEK THOROUGHBREDS

---

Christmas Creek Thoroughbreds is a family-operated equine spelling & agistment property positioned in the beautiful Scenic Rim. Located 100km south west of Brisbane and a stones throw from the Gold Coast, Christmas Creek Thoroughbreds is the perfect location for horses to rest, recover and relax.

We have an extensive background in the industry that dates back many generations from owning, breeding, racing and spelling thoroughbreds.

We have a drive and passion for the industry but more importantly the well-being and development of all horses. We believe this is essential and strive to produce happy and healthy horses for all our clients.

## FROM THE PADDOCK

---

Merry Christmas from Christmas Creek. The horses had a very Merry Christmas getting treated with some carrots on Christmas Day. Santa also visited the yards bringing our very own Christmas Creek Thoroughbreds Halter. We're looking forward to seeing many new horses at the magic millions in the coming weeks. We thank our existing clients for a great 2019 and can't wait for 2020 to welcome back many horses new yearlings post purchase from the sales.

We were very lucky to receive a light rainfall over the Christmas period with predicted rain again towards the end of January. Stay tuned for our January Magic Millions Edition in the coming weeks!!

# FROM THE HOMESTEAD

## GIN, GRAPEFRUIT & ROSEMARY APEROL SPRITZ

---

### INGREDIENTS

- 120 ml gin
- 60 ml Aperol
- 240 ml freshly pressed pink grapefruit juice
- Sugar for the edge
- fresh rosemary sprigs for the sugar edge and for decoration
- Dash of Soda Water or Prosecco for bubbles

### METHOD

#### Step 1

First prepare the sugar-rosemary edge, put about 2 - 3 tablespoons of white sugar on a small plate and mix with a teaspoon of chopped, fresh rosemary. glass with the halved grapefruit (see photo above).

#### Step 2

Split a grapefruit and lightly moisten the edge of your cocktail

#### Step 3

Press the moist glass edges into the sugar-rosemary mixture and turn slightly.

#### Step 4

Carefully fill the glasses with ice cubes without breaking the sugar rim. Pour gin, Aperol and the grapefruit juice directly into the glasses (60ml of gin, 12ml of juice, and 30ml of Aperol per glass) and mix briefly with a spoon.

#### Step 5

Garnish with a grapefruit wedge and a sprig of rosemary.

#### Step 6

Add Dash of Soda Water or Prosecco for bubbles

## SERVICES & FACILITIES

---

Our paddocks are equipped with lockable shelters, wide divided buffer lanes and is an average size of 1500m<sup>2</sup>. The paddocks are positioned away from any distractions and unwanted attention to give each horse the best chance to thrive at Christmas Creek.

We're fortunate enough to have state of the art facilities. In particular, our stable complex includes; wash bays, insulated roof line, round yards lined with sand, loading ramp, vet crush and a horse walker for 8 used for both recovery and rehabilitation purposes.

Christmas Creek Thoroughbreds is located 10km from The Scenic Rim Veterinary. This allows each horse routine Vet checks from an elite Vet clinic in QLD.

We pride ourselves on regular updates and photos tailored for each client. We ensure all owners are aware and up to date on their horses progression while staying with us.
